

Join Affiliated Steam and Hot Water at Booth #407 for the **Energy Efficiency Expo: Innovation and Action**, taking place September 16, 2015 from 7AM – 4PM at the Donald E. Stephens Convention Center in Rosemont, IL.

You can find more information about the expo at [nicorgasrebates.com/expo](http://nicorgasrebates.com/expo), but here is a quick summary of what will be happening at the expo:

You will be able to select from among [16 educational](#) (and [CEU accredited](#)) sessions covering today's trending energy efficiency topics, which fall within the four categories of:

1. **Connectivity and Big Data** (Featuring sessions on Big Data, the Internet of Things and smart manufacturing);
2. **Technologies and Solutions** (Featuring sessions on waste heat and energy recovery, CHP and data center efficiency);
3. **Energy Efficiency & Buildings** (Featuring sessions on emerging technologies, energy management systems for building portfolios and HVAC innovations); and
4. **Policies & Strategies** (Featuring sessions on the 2015 C&I Code, the EPA Clean Power Plan and strategic energy management.).

This will be a great opportunity for you and your team to meet ours so we can discuss your energy-efficiency needs. Therefore, **we would like to offer you a \$20 discount**. Just use **EXPSR** in the [registration page](#), where it says "If you have a discount code, enter it here" In addition to the discount rate, when you register five attendees the sixth registration is free.\* After five attendees have registered from the same company, you'll receive an email containing a code to register a sixth attendee – at no cost.

*\*The sixth person free promotion is retroactive and applies to companies with previously registered attendees. The code is good for one free registration per company. This promotion can be combined with a \$20 registration discount code.*
