Hands On Steam Seminar

Tear down and reassemble steam traps, pressure reducing valves and condensate pumps, and learn how to install, test and repair steam traps.

Steam Fundamentals Seminar

Glass piped demonstration boards are used to explain the behavior of steam, condensate, water and air. Discussion includes steam traps, steam coils, water heaters, heat exchangers, pressure reducing valves, and much more.

All seminars begin at 9:00 am and end at 4:00 pm

Location: Affiliated Steam & Hot Water - 12424 South Lombard Lane, Alsip, IL

Pricing is \$200.00 per person and includes materials and lunch

Transportation is not provided
